Mr. Sydney P. Noe, Secretary,  
The American Numismatic Society,

New York City.

My dear Mr. Noe:

We received the four coins in good condition  
and wish to thank you for the service you have rendered in  
this matter.

We did not receive the catalogues of the  
sales of Greek and Roman coins held in Lucerne and would  
be very glad to have the duplicate which you have offered us.

The reproductions of one or two Metapontum  
coins which you spoke of sending us were not enclosed, but  
we should be glad to see these if you can send them without  
too much inconvenience. Do all of the Metapontum coins  
bear the civic emblem of the ear of corn?

We appreciate your offer of assistance in  
connection with our collection of coins, and it is possible  
that we may call upon you again.

Sincerely yours,

Dorothy Blair

Attention - Miss Dorothy Blair

Gentlemen:

I have your letter of July 19th and am enclosing the cuts which I neglected to include with my former letter.

Under separate cover, I am sending the catalogues about which I wrote you.

We shall be very glad to be of further help with your Greek coins, and I should appreciate any information you can give me regarding Metapontine coins which may be among those in your possession. Almost all of these coins bear the barley ear as the symbol of the city.

Very truly yours,

Secretary

My dear Mr. Noe:

The Ryerson Library of the Art Institute of Chicago has just received from the Director's office three auction sale catalogues of coins, Monnaies Romaines Imperiales, Monnaies d'or Romaines et Byzantines, Monnaies Grecque Antiques, for which please accept the most sincere thanks as they are such splendid data on that subject.

Dear Madam:-

I have your note of the 28th acknowledging the catalogues sent you. I believe if you write to Dr. Jacob Hirsch, Grendelstrasse 2, Lucerne, Suisse, asking that future issues of his auction sales catalogues be sent you that he would have this done. This would the more certainly happen if some one in the name of the Institute should send him bids on any of the coins offered at auction even though the bids might be low ones.

If you do not receive catalogues of the Sotheby sales in London, similar course there might bring like results.

Feuardent Freres, 4 Rue Louvois, Paris (II<sup>e</sup>), France, and Canessa, Piazza dei Martiri, Naples, Italy, are perhaps the leading dealers, and as many of these auction catalogues are well illustrated, they are worth preservation, and might help to answer some of the inquiries which doubtless come to you..

Very truly yours,

Secretary and Librarian.

Gentlemen:

I have recently received a bill from you for Associate Membership dues for 1923.

I do not quite understand why this bill was sent as the Ryerson Library has never been a member of your society.

Perhaps there was some mistake in sending this bill.

Miss S. Louise Mitchell, Librarian,  
The Art Institute of Chicago,  
The Ryerson Library,

Dear Madam:-

Your letter of January 10th at hand.  
I am at a loss to understand the situation regarding  
the membership of the Ryerson Library.

On October 13th last you requested  
our Secretary, Mr. Sydney P. Noe, to send you an ap-  
plication blank, and this blank was sent you on  
October 16th together with a letter.

The Library was elected to membership  
on November 10th, and you were notified on November  
14th.

Chapter III, Section 5 of our By-Laws  
reads as follows:-

The dues of Associate Members shall  
be Five Dollars per annum, payable in advance. Any  
Associate Member elected at a meeting held after  
November first will not be required to pay dues for  
the current year, and will not be entitled to receive  
the Society's publications for that year.

As you were elected after the first of  
November, that is the reason you did not receive a  
bill for last year's dues.

I am enclosing herewith your signed ap-  
plication, which I would be glad to have you return  
for our records. It might recall the circumstances to  
your mind.

Very truly yours,

Acting Secretary.
